The Legislature Council Elections for 1909

(1) Date of Election

The Dewan was pleased to enquire if there was any objection to hold the meeting on the 30th or 31st inst and he also wanted to know the date of the Chamundi Rathothsava. It falls on the 29th inst (Please See Palace Office's D.O. portaf). There seems to be no objection to hold fix the 30th Time 3 p.m. (Last year it was fixed at 4 p.m. but it was found to be too late)

May be approved

N. B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

the date and place of meeting will have to be notified in the Gazette. I understood from Mr Matthan that it was intended to issue this notification only after the approval of Candidates by Govt. If so the notification will be published in a Gazette Extraordinary from the Govt Press. Draft notification is put up.

This allows all right. I have slightly altered the wording to be in conformity with the Rules & Gazette notification is unnecessary. The notice may be published & distributed

(3) Form of voting Paper

I have attached a form for approval, which I explained in person to the Dewan and the Secretary. The Dewan was pleased to approve it. Formal orders are now solicited. I have arranged with Mr Yates for printing.

In the counterfoil, it is unnecessary to write name of member. Otherwise, the form is all right.

Last year the members objected to their names being required to be written on the voting paper. The Dewan Enquired whether on this objection the top portion of the paper was not torn off. I understand that this was done but that the Signature of the member at the foot of the paper was allowed to remain The proposed form is not liable to objections of this ~~Sort~~ kind

(8) The Diwan suggested that the voting papers may be distributed among the members two days before the meeting

(9) I understand that last year some of the members requested that the result of the election might be announced by the officer on the spot The question whether this might be done and whether the counting of the votes by the officer might be made in the presence of the members are is a matter for consideration Last year the report was submitted confidentially to Govt. ~~Explanations in this respect will be accepted by reasons of the~~

Dear Mr Maltham

The file below is in respect of the Leg. Council Elections. I forgot to omit one matter viz whether the Election is to be by an absolute majo or by a bare majority. Last year's file does not show what procedure was followed then but and it is just as well to obtain Dewan's orders on this point also. I believe only a bare majority is required in Parliamentary Elections the a diffent practice is follo in the Elections to the B. India Councils. The former is the more convenient practice It is also followed in the Legislative Assembly. Will you please obtain Dewan's orders o this point also, Early?

NOTIFICATION.

No. J. 794—Legis., dated 15th September 1909.

In exercise of the power conferred by Section 5 of the Mysore Legislative Council Regulation, I of 1907, and in supersession of the rules issued under Notification No. 102, dated the 10th June 1908, the Government of His Highness the Maharaja are pleased to make the following rules as to the conditions under which two non-official members of the Legislative Council may be selected for nomination :—

I. The nominations to two places on the Legislative Council may be made by Government from among the members of the Representative Assembly, the persons to be nominated being selected in the manner explained in the following rules.

II. For the purpose of these rules the members of the Representative Assembly will be divided into two groups, one group consisting of all the members returned to such Assembly from the Western Division of the State (comprising the Districts of Mysore, Hassan, Kadur and Shimoga), and the other group consisting of all the members returned from the Eastern Division (comprising the Districts of Bangalore, Kolar, Tumkur and Chitaldrug).

III. (1) At a meeting of the members of the Representative Assembly, to be held at such place and at such time during the annual session of the Assembly as may be fixed by Government, the members belonging to each of the two groups referred to in Rule II will be requested to vote for a member belonging to their own group, for being nominated by Government to the Legislative Council.

(2) Members of the Representative Assembly, who are willing to stand for election for any division shall intimate the fact in writing to the Secretary to the Government of Mysore, General and Revenue Departments, not later than the Vijaya Dasami day of the Dasara celebrations.

(3) The names of the candidates who have signified their intention to stand for election for each division and whose candidature may be approved by the Government, shall be notified to the members of the Representative Assembly by a list of such names being posted in a conspicuous place in the Assembly Hall on a date not later than two days before the date appointed for the election. The votes of the members shall be given only to one or other of such candidates.

(4) The voting shall be by ballot.

(5) An officer deputed by Government shall attend such meeting and count the votes of the members.

(6) After the close of the meeting the officer referred to above shall submit the voting papers to the Government with a report showing the names of the candidates voted for by each group and the number of votes secured by each such candidate.

(7) The Government may make such supplementary rules of procedure as may be necessary for the disposal of business at such meeting.

IV. The two candidates who have secured the largest number of votes of the members of each group may be nominated by Government as members of the Legislative Council.

V. When the place of a member of the Legislative Council nominated under these rules from among the members of the Representative Assembly belonging to either of the two groups referred to in Rule II, becomes vacant, such place shall only be filled up after the votes of the members of such group shall have been recorded in the manner prescribed in these rules, at the next annual session of the Representative Assembly.
